This is the first office action for application number 10/784,802, Slide Device for Automotive Seat, filed on February 24, 2004.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance: the primary reasons for the allowance of the claims in this application are the limitations of a slide device in combination with a seat and floor, including a pair of lower tracks, a pair or upper slide elements, a drive means provided in the floor, a flexible drive transmission means operatively and flexibly connected between the pair of upper slide elements and the drive means, a locking means operable for locking and unlocking the pair of upper slide elements to and from the pair of lower track elements, a lock operation/control means arranged between the locking means and the drive means and having a lock operation means and a start switch means, included in independent claim 1 and in combination with the other elements recited in the claim, which is not found in the prior art of record.

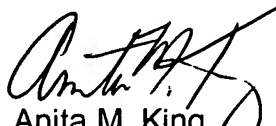

Conclusion

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
